

Determination and Findings  
For  
Sole Source Procurement

1. **Authorization**

D.C. Official Code § 2-354.04

2. **Minimum Need**

The DC Public Charter School Board (PCSB) has a need to renew its contract with Soil and Land Use Technology, Inc. (SaLUT) to provide lead testing to schools after they have installed filters.

3. **Estimated Fair and Reasonable Price**

The estimated price for this contract is \$600,000.00

4. **Facts That Justify a Sole Source Procurement**

SALUT is currently contracted to install lead filters to all charter schools. Once they have installed the filters they are being asked to test the sources for lead. SALUT has performed this work for charter schools before and will be using the savings from their current contract to perform this work.

5. **Certification by the Contract Specialist:**

I hereby certify that the above facts are accurate and complete.

**Determination**

Based on the above findings and in accordance with the PCSB procurement regulations, I hereby determine that the award of a sole source contract for the services described herein is in the best interest of the DC Public Charter School Board.
